FORMAT: Eight LIVE Online Sessions on Zoom, facilitated by Terry Real, LICSW

CE credits offered: 14

Content:

Over eight therapy sessions, attendees will observe Terry Real working in-depth with one couple for roughly one hour each time. During the therapy session, you will remain on mute and not participate, but learn and observe Terry using his RLT model in action. Immediately following the session, you will join Terry LIVE for Questions and Discussion.

This is where you'll dive into the details of what happened and how. You can share your observations and ask Terry questions directly. Terry will openly disclose the RLT tools he used and explain the intent behind his actions. RLT is known for producing profound, lasting results in rapid time. You may have seen the deeply moving breakthroughs that happen in Terry's Couples Experiential—but here you will see how a relationship transforms over the course of therapy.
